Japanese Grade 11 Collection

250 Essential Kanji for Everyday Use

General Description: Workbook teaches the 250 characters most frequently seen in daily life in Japan. All entries include the readings, meanings, stroke orders, common compounds, and derivations of kanji. Each of the 21 lessons illustrates everyday situations such as train stations, banks, post offices, restaurants, hospitals, and university campuses. The order of kanji selected does not match B.C. curriculum order.

NTC's Basic Japanese, Level 2

Author(s): *Williams, Lynn*

General Description: The second level of this two-level American series comprises a teacher's manual, student text, and student workbook. Teacher's manual contains aims and objectives and detailed lesson plans to match the student books. Student text is organized around broad functional topics that are suborganized into units. Each unit introduces new, relevant language. There are vocabulary lists in both kana and romaji followed by model dialogues, notes on language points, and activities. Katakana is introduced gradually throughout the text. Workbook contains further activities and exercises.

Obentoo 2

Author(s): *Fisher, Anne ... (et al.)*

General Description: This is the second level of a two-level series from Australia. It comprises an extensive teacher resource file containing teacher notes, blackline masters, flashcards, and overhead transparencies; a 156-page softcover workbook; a 170-page full-colour student book; and four CDs containing all student book listening material, workbook listening activities, and listening tests. The methodology strongly supports the communicative-experiential approach to language learning. It is assumed that students will be able to read and write hiragana and katakana. *Obentoo 2* features more literature and cultural notes are authentic, concise, and stimulating.
