Visual Arts Grade 2 to 3 Collection

Adventures in Art Level 2

Author(s): *Chapman, Laura*

General Description: Multilevel sequential program combines studio activities, perceptual awareness, art appreciation, and art history. Level 2 comprises a Big Book and smaller format student text, a teacher's edition, safety and technique posters, and a choice of visual support components. The student book is thematically organized into four units: "Creative Expression," "Art Criticism," "Art History," and "Aesthetic Perception." Text is supported by large colour reproductions, questions for discussion, suggestions to address multiculturalism, and art vocabulary. The teacher's edition provides lesson preparations, teaching strategies, studio techniques, evaluations, and cross-curricular connections. The posters clearly illustrate for students proper methods and precautions for working with various art materials and media. The choices for visual support are large reproductions, overhead transparencies, or slides.

Visual Arts Grade 2 to 3 Collection

Art Image Preschool - Animals in the Wild

Author(s): *Thompson, C.*

General Description: This resource kit is the fourth of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks feature images of tigers and monkeys in their natural habitat painted by various masters from different periods. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore their perceptions of wild animals through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are included.

Art Image Preschool - Children Together

Author(s): *Thompson, C.*

General Description: This resource kit is the fifth of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks by various masters from different historical periods feature universal images of children working, playing, and sharing quiet moments together. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore the importance of familiarity and shared interests and activities in relationships through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are included.

Visual Arts Grade 2 to 3 Collection

Art Image Preschool - Pets are Part of Our Lives

Author(s): *Thompson, C.*

General Description: This resource kit is the second of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks feature images of dogs and cats painted by various masters from different periods of history. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore their relationship to pets and the ways of animals through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are included.

Art Image Preschool - Portraits are Images of People

Author(s): *Thompson, C.*

General Description: This resource kit is the third of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks show interpretations of the human form as painted by various masters from different periods of history. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore their perceptions of the human form through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are also included.

Visual Arts Grade 2 to 3 Collection

Art Image Preschool - Shapes, Colors and Stories

Author(s): *Thompson, C.*

General Description: This resource kit is the first of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks, by 20th-century artists, all convey ideas or stories through simple shapes and interpretations of shapes. In this manner, students are given an opportunity to increase their basic vocabulary of forms. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore the versatility of shapes in their own ways through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are also included.

The Picture Resources Pack

Author(s): *Clement; Page*

General Description: Twenty-four large high-quality colour reproductions of display artwork feature works by both male and female artists, representing Celtic through modern times. Includes discussion questions on the back of each card. Accompanying British teacher's manual includes art and artist information, activities, evaluation, and lists of resources and materials. Cross-curricular integration is supported. This is useful for a non-specialist classroom teacher as well as a visual arts specialist.
