Visual Arts Grade K to 1 Collection

Adventures in Art Kindergarten

Author(s): Chapman, Laura

General Description: Multilevel sequential program combines studio activities, perceptual awareness, art appreciation, and art history. At the Kindergarten level there is a teacher's guide, 52 small art reproductions, 22 large art reproductions, 4 large "how-to" posters, a display easel, and safety and technique posters. Twenty units each contain three lessons, activity centre suggestions, warm-up activities, and resources. The program encourages exploration, self-expression, and the mastery of basic art skills, concepts, and vocabulary. The posters, available for Levels 1-2, clearly illustrate for students proper methods and precautions for working with various art materials and media. They are also appropriate for Kindergarten classrooms.

Adventures in Art Level 1

Author(s): Chapman, Laura

General Description: Multilevel sequential program combines studio activities, perceptual awareness, art appreciation, and art history. Level 1 comprises a Big Book and smaller format student text, a teacher's edition, safety and technique posters, and a choice of visual support components. The student book is thematically organized into four units: "Creative Expression," "Art Criticism," "Art History," and "Aesthetic Perception." Text is supported by large colour reproductions, questions for discussion, suggestions to address multiculturalism, and art vocabulary. The teacher's edition provides lesson preparations, teaching strategies, studio techniques, evaluations, and cross-curricular connections. The posters clearly illustrate for students proper methods and precautions for working with various art materials and media. The choices for visual support are large reproductions, overhead transparencies, or slides.

Art Image Preschool - Shapes, Colors and Stories

Author(s): *Thompson, C.*

General Description: This resource kit is the first of five individually packaged units in the series *Art Image Preschool*. It contains five reproductions of art and an accompanying teacher's guide. The artworks, by 20th-century artists, all convey ideas or stories through simple shapes and interpretations of shapes. In this manner, students are given an opportunity to increase their basic vocabulary of forms. The teacher's guide offers suggestions for introducing the specific works of art and for encouraging students to explore the versatility of shapes in their own ways through art activities, discussions, learning centres, field trips, and other experiences within and beyond the classroom. Biographical notes on the artists, evaluation strategies, and extensions are also included.

Imagine and Me Kit

Author(s): *Aubin, Isabelle ... (et al.)*

General Description: Extensive resource package consists of two volumes of a teacher's guide; a student book; audio cassettes; supplementary items such as scarves, geometric shapes, picture cards; and a large purple puppet named Imagine. The kit, useful for a non-specialist classroom teacher, presents a variety of learning activities that link the Fine Arts subjects and is structured around a number of themes. Two audio cassettes for teachers contain a specific selection of songs and music pieces to accompany the activities for each theme. The cassette for students contains only the songs, each of which is preceded by an introduction discussing context and activity extensions. Teachers will need to supplement with additional art reproductions, and some concepts will require further development. This resource is also listed in the Grade Collections for Drama K to 7 and Dance K to 7.
