

# FORM 1601: INDEPENDENT AND BC OFFSHORE SCHOOL DATA COLLECTION

FORM COMPLETION INSTRUCTIONS FOR INDEPENDENT  
AND BC OFFSHORE SCHOOLS

## Quick Reference

### Who must complete Form 1601?

Every independent and BC offshore school with a minimum enrolment of ten **school-age** students must submit a 1601 form.

### When must Form 1601 be completed and returned to the Ministry?

Completed forms must arrive at the Ministry on or before <b>October 9, 2009</b>
--

### Why is Form 1601 important?

This form collects the following:

- school demographics: name, physical and mailing address, telephone and facsimile number and email address
- name of principal or head teacher
- elementary and secondary headcount and FTE educators
- school organization
- number of elementary divisions.

The information from this form will be used in the following areas:

- funding considerations
- communications regarding characteristics of schools

For independent schools, form 1601 is collected under the Reports, Records and Data Collection Order (I 1/91). Under this order schools are responsible for collecting and submitting the information to the Ministry.

For offshore schools, form 1601 is collected under the Offshore School British Columbia Program Certification Status Agreement.

### If you need assistance

Questions should be directed to:

Kathy Cordner  
Data Management  
250 356-2441

or

Mike Joa  
Data Management  
250 356-7459

## Common mistakes to avoid when completing Form 1601

**Mistake:** The name of the Principal is updated but the school fails to update the email address.

Correct

Procedure: If the email address for the school is the Principal's email address, be sure to change both the Principal's name and the email address information when updating this form.

**Mistake:** When updating the preprinted information on this form school personnel cross off the outdated information and write the new information in the preprint field. When the form is faxed to the ministry we can not read the information written in the preprint area.

Correct

Procedure: Write the updated information in the white space directly below the preprint area.

## Step by step instructions for completing Form 1601

### Ministry school code and name

If the preprinted information is incorrect, cross out the preprinted information and enter the correct information in the clear white space provided below the preprint area.

### Report date

The report date is preprinted "2009 09 30" in this space.

### School mailing address

Please ensure that you complete all four fields, including province and postal code.

### School telephone number

Enter the school telephone number.

### School FAX number

Enter the school facsimile number.

### School EMAIL address

Enter the complete internet email address for the school.

! **NOTE:** This is a required field.

### Name of principal or head teacher

Complete all four fields regarding the school principal or head teacher.

### School physical address

If the physical address of the school is different from the mailing address please ensure that you complete all four fields, including province and postal code.

### School FTE Educators

- In this section report the FTE of educators assigned to your school by category and level.
- If an educator assigned to your school is also assigned on a regular basis to another school, report only the FTE time assigned to your school. If an educator is assigned to your school on an "as needed" basis, do not include him or her in this calculation.
- If an educator is assigned to your school to teach at both the elementary and the secondary level report the portion of their time spent teaching at each level.
- If an administrator also spends time teaching, report the appropriate portion of time in each relevant category.
- Do not include any professional whose position does not require him or her to hold a teaching certificate or a letter of permission (e.g., physiotherapists, clerical staff, or teacher aides).
- An educator who works full-time in your school counts as 1 FTE.
- Report the FTE to four decimal places.

**FTE Classroom Educator** includes only those educators who instruct a specific class.

**FTE Support Educator** includes those educators who provide support, i.e. librarians, counsellors and learning assistance teachers. Do not include clerical staff, teacher aides or custodians.

**FTE Administration** includes principals and vice principals only. Do not include clerical staff.

### Number of elementary headcount educators

Report the total headcount number of elementary teachers, principals and vice-principals assigned to this school and who are included in the FTE count in box. This information will be used to determine mail distributions conducted by the Ministry.

### Number of secondary headcount educators

Report the total headcount number of secondary teachers, principals and vice-principals assigned to this school and who are included in the FTE count in box. This information will be used to determine mail distributions conducted by the Ministry.

! **NOTE:** If an educator is assigned to teach both at the elementary level and at the secondary level in your school, for example grade 7 and grade 8, count that teacher once in the elementary headcount box and once in the secondary box. This will ensure that the educator is included in all distributions related to their teaching assignment.

### School organization

One of the 6 boxes in this field should have an X above it. If your school organization has changed since September 2008, draw a line through the preprinted X and mark an X in the correct box.

- If all subjects are taught on a 10 month basis, you qualify as a "10 month" school.
- If all subjects are taught on a 5 month basis, you qualify as a "Two Semesters" school.
- If all subjects are taught on a quarterly basis, you qualify as a "Quarter" school.
- If all subjects are taught on a three-term basis, you qualify as a "Trimester" school.
- If some subjects are taught on a 10 month basis, while others are taught over shorter periods, you qualify as a "Part 10 Month/ Part Semester" school.
- If none of the above categories apply to your school, put an X in "Other". Distributed Learning Schools should mark "other" if they offer 12-month continuous enrolment.

### Number of divisions in school

Report the number of elementary divisions in your school. Report each A.M. and P.M. kindergarten half-day class as a separate division. Report split-grade classes with one teacher as one division.

**Name of the Authority/BC Agent**

If you are an independent school

Indicate the name of the authority (e.g. legal entity, official society, corporation) responsible for operating the school.

If you are an off shore school

Indicate the name of the BC agent involved with the operation of the school.

Use Appendix 1 to provide the appropriate three-digit code.

**Signature of principal and date**

**Returning Completed Forms**

Schools may fax the completed form to 250 356-0277
