The Office of the Inspector of Independent Schools has provided this Parent/Guardian Confirmation Form to funded independent schools to ensure consistency and transparency in the communications between the school administration and the parent(s)/legal guardian(s) of funded special needs students.

This form must be signed annually and attached to the student's IEP.

As legal guardian, I confirm that _____ *(school)*
has offered me the opportunity to review and develop my child's Individual Education Plan (IEP) as required in the Education Standards Order (Section 5.12).

I understand that at least annually, I will be given reasonable opportunity for comment on and input into my child's IEP.

I also acknowledge that the school may apply to the Office of the Inspector of Independent Schools (OIIS) for supplementary special needs funding for which my child may qualify in order to support my child in achieving the goals and outcomes as laid out in his/her IEP.
