

All foreign transcripts/credentials, earned outside of North America, must be evaluated by an acceptable evaluation service that will verify the Canadian equivalency of the credits/degrees that you have earned.

The **International Credential Evaluation Service (ICES)** and **World Education Service (WES)** are the evaluation service agencies acceptable to the Inspector. A **comprehensive report** from ICES or a **course-by-course evaluation** from WES is required by the Office of the Inspector of Independent Schools.
