Gage Canadian Dictionary, Revised and Expanded

General Description:

Current edition contains 140,000 direct and concise entries, supported by illustrative sentences and points of usage. Alternative pronunciations are included. The dictionary uses Canadian spelling and reflects the Canadian cultural mosaic. Particular attention is given to Aboriginal people, including Métis and Inuit. Current lexical items have been added to reflect technological, social and political developments (e.g., diskette, rollerblades, clear-cut, Nunavut). In addition, this resource provides a guide to the dictionary, including information on spelling, pronunciation, parts of speech and idioms. The appendices provide tables, charts and lists such as an air quality index, weather scales, the biological classification of animals and plants, a comparative table of alphabets, a periodic table of elements, a geological time chart, a list of major currencies and a table of measures.

Gage Canadian Writer's Handbook

Author(s): Davies, R. et al

General Description:

This process-based student handbook on writing, reading and thinking is divided into three major areas. "How to Write an Essay" discusses the essentials of effective essays. "Specific Forms of Writing and Representing" addresses topics such as essays, scripts, stories, profiles, speeches, research papers, position papers, science experiments and electronic mail. "Conventions of Writing" reviews the technicalities of language and grammar. Writing skills, practice exercises, a glossary and an index are included. Although this handbook supports both *Passages 11 and 12* and *Imprints 11 and 12*, it can be used independently to support other language arts programs.

Oxford Canadian Students' Guide to Language, Literature, and Media

Author(s): Barclay et al.

General Description:

Oxford Canadian Students' Guide to Language, Literature, and Media is a language and writing handbook for students. Although designed to support *Echoes 11* and *12*, it can be used independently. It includes chapters on poetry, narrative texts, drama, essays, personal writing, reports, business and technical writing, media, research and ethics and the history of the English language. It also has a reference section on grammar, usage and mechanics, and an extensive glossary with terms from language, literature, logic, critical thinking, exam instructions and media. Each chapter begins with pertinent quotations and a list of learning goals, and is organized into sections on meaning, form and style. Approaches and techniques relevant to the genre conclude the chapters.

Reference Points: A Guide to Language, Literature, and Media

Author(s): Dawe, R. et al

General Description:

Reference Points, a student handbook which focuses on the development of communication skills, supports both *Viewpoints 11* and *Viewpoints 12*. It can also be used independently to support other language arts programs. Numerous excerpts from various Aboriginal, Canadian and international writers and artists are integrated throughout the text, supporting the student activities. These activities provide students with opportunities to review and consolidate what they have learned about language, to develop increasingly challenging techniques, and to apply their skills in a wide range of situations including writing, reading, speaking, listening, viewing and representing.
