### Fashion!

Wolfe, M.

**General Description:**

Student text and non-reproducible activity guide present an in-depth examination of the fashion and clothing industry as well as design and production processes. There are 125 related activities. Accompanying instruction's manual has strategies, answer keys, and evaluation tools. Teachers will need to address references to American consumer laws and labeling. This is not a how-to-sew resource. This edition is similar to the 1993 edition but has been updated to reflect current technology, materials and images
