# **SCHOOL ACT MINISTERIAL ORDERS**

## **EXPLANATORY NOTES**

**A ministerial order** is both a legal and administrative document authorized by statute to aid in the administration of the day to day operations of a ministry of the Crown. Frequently, the statute will give the minister the power to make orders, or rules or to enact another instrument, by using words such as "the minister may make orders" or "the minister shall make rules". Ministerial orders are assigned a "Ministerial Order" number (or "M" number), indexed, and filed in the Order in Council Administration Office in the Ministry of Attorney General.

### **Abbreviations Used in This Section:**

- MXX/00 = Ministerial Order XX/00  
[en. MXX/00] = Enacted by MXX/00 (indicates that the preceding section was added by Ministerial Order XX/00)  
[am. MXX/00] = Amended by MXX/00 (indicates that the preceding section was changed by Ministerial Order XX/00).

**Only the substantive amendments are noted in the headnote at the beginning of each order.**

**N.B.:** Notes in brackets on the following pages respecting enactment of an order are added editorially for the convenience of users and do not form part of the order.
