Information Bulletin 5 – August, 2008

To all Independent School Authorities and Administrators:

Employers List

Both the BC College of Teachers (BCCT) and the Office of the Inspector of Independent Schools (OIIS) have each developed an electronic registry called the Employers List.

This week’s E-board includes an announcement from the BCCT about their Employers List. All independent school authorities will be required to provide reports about their BCCT certified teachers to the BCCT Employers List.

For teachers that are certified by the OIIS, independent school authorities will be required to provide reports to the OIIS Employers List.

Last year, independent school authorities provided this information through an electronic spreadsheet submission. This year, you will be able to provide the information on-line.

The online process requires authorities to acquire a Business BCeID first, as noted in the previous Information Bulletin.

PLEASE DO NOT APPLY FOR A BUSINESS BCeID AT THIS TIME.

The instructions on how to obtain a Business BCeID will be provided in the next few weeks.
